

# ECONOMIC VITALS

**July 1, 2022**

Monthly, 1A releases a report that analyzes key economic metrics important to understanding our regional and state economy. With support from LED, LEDA, LCVC, REALTOR® Association of Acadiana, and the Lafayette Regional Airport 1A collects data on local businesses, current labor numbers, retail sales information, and other economic statistics to provide the region's "economic vitals." Please note, 1A makes every effort to ensure the data reported is the most accurate and current available, but many datasets included are updated daily/weekly and may be out of date soon after the indicators have been published.
